ABOUT AJ-NIFM

The Arun Jaitley National Institute of Financial Management (AJ-NIFM) is a Center of Excellence specializing in capacity building of professionals in the fields of Public Policy, Public Finance, Financial Markets, Financial Management, and other related areas for promoting highest standards of professional competence and practice.

AJ-NIFM was set up in 1993 as a registered society under Ministry of Finance, Government of India. To begin with, it was mandated to train the officers recruited by the Union Public Service Commission (UPSC) through the Civil Services Examination and allocated to the various services responsible for managing senior and top management position dealing with accounts and finance in the Government of India. In due course of time, AJ-NIFM has become a premier resource center to meet the capacity building training needs of the Central Government for their senior and middle level officers. AJ-NIFM also caters to the State Government, Defence Services, Autonomous Bodies, PSUs, and Financial Institutions for their capacity building and research requirements.

AJ-NIFM plays a pivotal role in governance and administrative reforms by providing a platform for interaction and exchange of ideas and experience among officers from various organized services, state governments, and personnel of civil and defense establishments.

Apart from capacity building, AJ-NIFM is also engaged in research studies in the areas of financial markets, financial management, public procurement, and other issues related to public finance, public policy and delivery systems. The outcome of such research studies is published and disseminated through Research Papers. AJNIFM publishes a peer reviewed research journal called NIFM Journal of Public Financial Management with a biannual publication

AJNIFM also undertakes various consultancy projects relating to its domain viz. monitoring and evaluation of various Government schemes, third party evaluations, writing of policy documents, manuals etc.

The Union Finance Minister of Government of India is the President of the AJ-NIFM Society. The Secretary (Expenditure), Government of India is the Chairman of the Board of Governors (BoG). The Director, AJ-NIFM is responsible for the administration and academic programs of the Institute. AJ-NIFM has a distinct advantage of an amalgamation of faculty from academics, industry experts and Government.

ABOUT JNU

Jawaharlal Nehru University is the foremost university in India, and a world-renowned centre for teaching and research. JNU was established by an act of Parliament in 1966. The strength, energy, and reputation of Jawaharlal Nehru University result from the vision that ideas are a field for adventure, experimentation and unceasing quest, and that diversity of opinions are the basis for intellectual exploration.

JNU is the place for the intellectually restless, the insatiably curious, and the mentally rigorous, giving them the space to grow amidst the calmness of an oasis, a green lung within the hustle and bustle and the crowds of the capital city of India.

The educational philosophy of the university gets translated into its somewhat unorthodox academic structure. Grounded in a faith in the unity of knowledge, JNU has sought to avoid the narrowly conceived Department structure of conventional universities, preferring instead to bring allied disciplines within a few broad and inclusive entities called Schools, under whose interactive ambit are placed the more specialized units, called Centres, At present there are ten Schools and four Special Centres in the University.

The University brings out four research journals which have high academic visibility in India and abroad. These are Studies in History, International Studies, JSL (the Journal of the School of Language, Literature & Culture Studies) and Hispanic Horizons. Several members of the JNU faculty also edit national and international journals besides the above four.

AJ-NIFM has entered into an MoU with JNU for recognition of their PGDM (Finance) and PGDM (Financial Management) programmes as MBA (Finance) and MBA (Financial Management) respectively. These two programmes are now accredited to JNU. The participants are enrolled with JNU and degree to the participants of these programmes would be awarded by JNU after successful completion of the programme at AJ-NIFM.

MESSAGE FROM DIRECTOR

Dear Student

The Arun Jaitley National Institute of Financial Management was established as a premier centre for imparting training and continuous education in the field of financial management. It is one of the premier Financial Institutes in the country and is seeking to scale new heights in this domain.

As change is the new constant, keeping pace with it is critical to sustain and grow. The past few years have witnessed phenomenal changes in global as well as domestic financial sector. As new structures emerge and regulatory mechanisms evolve, those aspiring to work in this area need to be well-positioned to meet the industry's wide-ranging needs in the coming decades. We, at AJ-NIFM, are constantly striving to update our pedagogy to keep pace with the change and to ensure that students leaving our portals are fully equipped to face the challenges in their profession.

The Institute, being the only one of its kind in the field of Financial Management, is also the leading institute to impart knowledge and training to senior level Government officials across the country in all the developing areas of the financial sector and new initiatives such as Fintech, Data Analytics, Cyber Security, the Government e-Marketplace, GST, Advanced Public Procurement, Public Private Partnership and other important areas in Finance. The presence of senior officer-trainees on campus also provides a parallel platform for interaction and multidirectional expansion of outlook for young minds.

Department of Economic Affairs (DEA) and Arun Jaitley National Institute of Financial Management (AJ-NIFM) entered into a Memorandum of Agreement (MoA) on 20th September, 2016, which is continuing till date, for providing policy research inputs in policymaking in Financial Markets to the Financial Markets Division, Department of Economic Affairs, Ministry of Finance, Government of India.

The Institute has its own campus spread on 42 acres of delightful greenery, adjacent to the famous Badhkal Lake at Faridabad on the outskirts of the National Capital. This houses the main institute building, student accommodation, mess and a sports complex, with all modern day facilities. The institute also provides residential accommodation to its faculty and staff within the campus. Lush green lawns and open spaces covering over eighty percent of the campus provide an enriched atmosphere for learning and imbibing the ever changing financial evolution with life-turning experiences which enables the students to reach new heights in their professional life.

We, at AJ-NIFM, strive to ensure that each one of our students achieves high academic levels besides developing various soft skills. The students are also exposed to various industries through industrial visits, and guest lectures by luminaries of the Industry and established professionals from the financial world. I would like to assure all the parents/guardians of prospective students that your ward would spend a very enriching and fruitful time with us.

I wish the students a bright future ahead, filled with joy and success.

Praveen Kumar
Director, AJ-NIFM

MESSAGE FROM PROGRAMME CHAIR, MBA (FINANCE)

The surge of reforms in Indian Financial sector has catapulted the domestic financial sector and financial markets into one of the best regulated markets in the world. The globally-integrated Indian financial sector has made the market landscape more complex and knowledge-driven. The dynamic market ecosystem has also significantly contributed to the complexity and institutionalization of the participants. Trading practices as well as the market infrastructure have also undergone a sea change. The financial product offerings have become immensely complex and innovation-led. Technology embedded trading has compounded market dynamics and transformed market ecosystem. The seamless transactions routing as well as Clearing and Settlement systems in the Indian securities markets have been largely responsible for attracting high volume participation of foreign investors in our markets. Besides, the recent operationalization of Dollar-denominated International Financial Services Centre in India called IFSC GIFT City, has radically changed the Indian financial sector. Domestic companies are now raising foreign currency loans through banks sitting in India. The Indian Commodities Market has in a short span also embraced the best global practices.

There is a shortage of candidates in the country who combine a deep knowledge of financial sector, products and investment strategies with a fluency in programming languages. The participants of the financial sector must at the same time, be the masters of R, Python and other similar languages – the most commonly used Data Analytics, Artificial Intelligence and Machine Learning Languages in the world. The securities market generally dominated by High Frequency Trading and Algorithm Trading, learning of the most comprehensive Data Science will undoubtedly be advantageous for the students of the financial sector.

To cater to this increasing demand of specialized financial sector professionals, Arun Jaitley National Institute of Financial Management offers a unique financial sector-centric Two Year Master in Business Administration (Finance) with focus on Financial Analysis, Financial Modelling, Financial Products, Big Data Analytics, Financial Markets and Risk Management. The learning pedagogy for the programme comprises classroom teaching, case studies, panel discussions, presentations and visits to national and international financial centres. In addition to the class room learnings covering all major areas of financial sector viz., Financial Markets, Financial Analysis, Derivative Markets, Funds Management, Commodities and their Risk Management etc., the participants will also get an opportunity to interact with the regulators, fund managers, industry captains and other market participants from India and abroad. State of art financial lab with data sourced on real time basis by global financial data providers facilitate data mining, using analytical tools and testing them in formulating various financial strategies. To hone their financial skills, the course participants will also undergo mandatory internship and visits in the financial sector.

The programme is progressively dynamic and comprehensive. Our course participants will stand tall in competition of competencies in the financial sector. Acceptance of our participants is rated amongst the best in the sector.

OUR VISION

We, at AJNIFM, shall endeavor to develop the Institute as a “Centre of Excellence” in the area of Financial Management for Good Governance and provide a conducive environment for learning, teaching and research. We shall ensure Client’s satisfaction through continuous improvement in Human Resources, methodologies and infrastructure based on the “Voice of the Client”. The values of honesty, integrity, transparency and respect for human being shall always guide our efforts.

OUR MISSION

- i. to organize and provide training and continuing professional education to Group ‘A’ officers of the participating Services including organization of refresher courses at senior and middle levels;
- ii. to establish the Institute as a Centre of Excellence in financial management for promoting the highest standards of professional competence and practice;
- iii. to undertake and promote research/consultancy studies in the fields of accounting, audit, financial and fiscal management and related subjects;
- iv. to promote education in financial and fiscal management for officers of the associate Services of Centre/State Governments and officers of public sector enterprises/ institutions;
- v. to organize International Training Programs and to keep abreast with progress made in the rest of the world in the area of finance and accounts, particularly in Government and public sector institutions

PROGRAMMES @ AJ-NIFM

Degree/Diploma Programmes

- **Master of Business Administration (Finance):** MBA (Finance) is a two-year full time residential programme. The programme is recognized by Jawaharlal Nehru University, New Delhi. The programme is accredited to JNU. The participants of the programme are enrolled with JNU which will award the degree. The programme is open to fresh graduates as well as experienced candidates desirous of a career in the financial sector. The MBA (Finance) programme has been designed with the objective of developing trained professionals in the financial sector capable of occupying positions of responsibility in regulatory bodies, market intermediaries, banks, mutual funds, asset management companies, stock exchanges, commodity exchanges, and similar organizations in private and government sectors. The curriculum also consists of visit to Mumbai as well as Singapore wherein the participants avail an opportunity to interact with the professionals functioning at the apex level in the financial sectors such as RBI, SEBI, NCDEX, MCX, FIMMDA.
- **Master of Business Administration (Financial Management):** MBA (FM) is a two-year full time programme. The programme is recognized by Jawaharlal Nehru University, New Delhi. This programme is accredited to JNU. The participants of the programme are enrolled with JNU and the degree will be awarded by JNU. The programme is open to the officers at middle and senior levels, working with central and state government including Defence Services, public sector undertakings and autonomous organizations/ bodies. The programme is designed to enable the senior officers/ executives of the government and corporate sector to meet contemporary challenges in Financial Management including Public Financial Management.
- **Professional Training Course for Probationers of organised Accounts Service of Govt. of India:** The Professional Training Course is meant for the probationers of the participating Finance and Accounts Services of the Union Government. The programme is designed to equip the newly recruited Group 'A' officers of the Finance and Accounts Services for taking up higher responsibilities in the field of Public Financial Management.
- **Post Graduate Diploma in Government Accounting & Internal Audit:** The Post Graduate Diploma in Government Accounting & Internal Audit Programme, is a one-year programme designed to upgrade the technical skills of officers of the Controller General of Accounts & organized accounting services of the various government departments in the areas of accounting, internal audit, information technology, general management, etc.

CAPACITY BUILDING PROGRAMMES / MANAGEMENT DEVELOPMENT PROGRAMMES (MDPs)

- AJ-NIFM conducts a large number of Capacity Building short-duration Management Development Programmes/ Executive Development Programmes in the areas of public expenditure management, budgeting, public financial administration, financial management, accounting, internal audit, procurement, GST, IT, HR etc. The officers of Indian Economic Service (IES), Indian Statistical Service (ISS), Indian Telecom Service (ITS), other central and state government services, PSUs, municipal corporations, autonomous institutes and bodies participate in these MDPs/EDPs.
- AJ-NIFM also conducts a few programmes under ITEC initiative of Ministry of External Affairs with participation of officials from many developing countries. Besides, AJ-NIFM also organizes a few mid-career programmes for officers of participating services with international attachments in US/UK/Canada etc.

THE FINANCIAL SECTOR

The Indian economy is one of the world's fastest growing economies. Driven by rising personal incomes, corporate restructuring, deregulation and liberalisation of financial sectors including financial markets, the Indian financial industry is expected to enjoy a robust growth during the coming years. The demand for trained professionals who are equipped to deal with traditional as well as modern practices in the financial sector is growing manifold.

The last decade has seen unprecedented growth in India's financial sector as well as financial services.

According to the World Economic Outlook Report 2022* released on Oct 11, 2022 by the International Monetary Fund, India (\$3.18 trillion) is the 6th largest economy in the world after United Kingdom (\$3.19 trillion) in 2021-22 and is expected overtake the UK economy by 2023. As per the report it is also expected that the Indian economy will be equal to the German Economy (4th largest) by 2025-26 and may overtake the Japanese economy by 2027-28 and achieve \$5.36 trillion mark higher than Japan which is expected at \$5.17 trillion.

The two year full time Master of Business Administration (Finance) programme has

* <https://www.imf.org/en/Publications/WEO/Issues/2022/10/11/world-economic-outlook-october-2022>

considered the changing needs and the future requirements of the financial industry and has been designed by AJ-NIFM with the objective of developing professionals capable of occupying positions of responsibility in regulatory bodies, market intermediaries, banks, mutual funds, asset management companies, stock exchanges, commodity exchanges, and finance departments of PSUs and large corporates.

The uniqueness of the programme lies in its extensive use of finance professionals as resource persons for the programme. Apart from sound grounding in academic concepts pertaining to the financial functions, the participants will get a chance to interact with senior regulatory officials, executives of exchanges, leading merchant bankers, commercial bankers, finance professionals from corporates and PSUs and foreign institutional investors.

The programme is comprehensive in nature, covering all major areas of financial sector with the focus on financial analysis and risk management with inputs on financial products and its management, financial markets and derivative markets. What has been sought to be achieved is an ideal blend of relevant academic knowledge of the entire financial sector and its application. Pedagogy for the programme comprises classroom teaching, case studies, panel discussions, presentations, summer internship and visits to national and overseas financial centres.

Skill development has been given special emphasis by providing simulated live market conditions, trading and investment software, so that the students are market ready.

The effective delivery of the programme requires proper appreciation of applied financial data analysis. The Institute facilitates the participants towards application of Information Technology in various paradigms of IT interfaced learning by designing the curriculum accordingly, so as to cover the entire functional areas of the financial sector with focus on modern practices.

Career Opportunities in Financial Sector

MBA (Finance) provides participants with a wide range of career opportunities such as:

Investment Banker, Financial Planning & Wealth Manager, Analyst - Equity / Technical / F&O / MFs / Commodity / Forex Operations / Portfolio Management/ Back / Front Office Operations / Banking Operations and Credit Analysis / Trade Finance / Credit Rating & Information / Surveillance / Compliance / Regulation Manager / Teaching / e-Learning & Content Development / Financial Journalism / Risk Manager

SALIENT FEATURES

1 Degree from JNU

MBA (Finance) programme conducted by Arun Jaitley National Institute of Financial Management (established by Ministry of Finance, GoI) is aimed to be India's most comprehensive programme on financial markets. On successful completion of the programme, the degree would be awarded by Jawaharlal Nehru University, New Delhi

2 Certification by NISM, SEBI

Eight certifications including mandatory certifications from NISM, SEBI is a part of MBA (Finance) Programme. This facilitates students to act as a Capital Market participant.

3 Industry Vetted Content

AJ-NIFM delivers rich industry oriented curriculum designed to improve the essential skills required for the financial sector professionals. The content will be continuously updated to incorporate the best practices of the industries with a blend of traditional and modern practices prevailing in the financial sector.

4 Experienced Peers

Peer learning is recognized as one of the better forms of learning. When young bright students, who are generally open to learning and are tech savvy, stay and study together with middle and senior level officers from State, Central Government, PSUs, etc., having variety of experience; it nurtures the skills and talents of both the groups to stay competitive in the financial sector.

9 Renowned Faculty

The combination of senior academicians at AJ-NIFM and practitioners from industry successfully deliver the theoretical and practical aspects of the dynamic curriculum of MBA (Finance) programme. Our core faculty alongwith honorary and professor of practice stand out for their sound academic credentials and impressive industry experience.

5 Experiential Learning

The mode of programme delivery is through interactive lectures, tutorials, case studies, workshops and presentation sessions supported by regular corporate visits, participation in business channels like CNBC, NDTV Profit etc.

6 Global Exposure

The twenty-first century is all about globalization and global competencies. In order to give students an opportunity to be acquainted with global financial environment, a foreign visit is arranged to international financial centre i.e. Singapore with visits to financial institutions, bank, stock exchanges, education centres etc. as part of the programme curriculum.

7 Infrastructure

The state of the art picturesque campus of AJ-NIFM is situated in Faridabad (Haryana) near the Badkhal Lake. It consists of smart and spacious classrooms, well stocked library, market simulation lab, executive hostels, outdoor theatre, auditorium and recreation facilities like billiards, squash, table tennis, badminton, gymnasium etc.

8 Industry Exposure

The students of MBA (Finance) will have a continuous interaction with the industry through visits to corporates, FIIs, stock exchange as well as guest lectures, seminars etc. They will be attending intensive industry integrated training sessions by senior financial experts from Government policymakers and corporates.

10 Live Market Training & Market Simulation Lab

Skill development sessions are imparted to students which involve extensive training through market simulation, visit to Regulators (RBI, SEBI), FIMMDA, Credit Rating Agencies and Stock Exchanges along with exposure to Advanced Financial Softwares (Bloomberg) and the summer internship programme of 8 weeks that makes this programme unique.

11 Placement Assistance

The dedicated team of students forms the placement committee of the programme which acts as a close link between successful pass outs and potential recruiters. AJ-NIFM provides placement assistance to successful students, however, it does not guarantee any placement.

PROGRAMME ARCHITECTURE

1ST YEAR

- (iii) Officers at middle/senior level working with the Central or State Governments or similar participants from foreign countries are eligible to apply for admission.
- (iv) Government officers are exempted from Common Admission Tests i.e. CAT, XAT, CMAT, MAT, GMAT, CUET (PG).

The decision of the Selection Committee of AJ-NIFM for selection will be final and no correspondence in this matter shall be entertained by AJ-NIFM.

Candidates in the final year of graduation may also apply. Such candidates, if selected, will be allowed to join the programme provisionally. Their admission will be confirmed only after they submit their marks sheet of having passed their bachelor's degree/equivalent qualification with minimum requisite marks as per the eligibility criteria. The deadline for submission of the marks sheet is October 2024. Non-fulfillment of this condition will automatically result in the cancellation of the provisional admission and their candidature.
